

## EKGA COVID SAFE SETTINGS from November 19

### Preschool Classes

The **adult attending Kinder Gym with a child for Playnastics, Tiny Tots or Squirts must be fully vaccinated to come onsite**. If the family does not have a suitably vaccinated adult to attend with the child, the child will unfortunately **NOT BE ABLE TO ATTEND CLASSES AT EKGA**. If you are not planning on becoming vaccinated or will not be fully vaccinated by the reopening date, we would appreciate you giving us a much notice as possible of your intention, so we can update our class lists accordingly.

### School Age / Teenage Classes

All participants aged 12 and above are required to be fully vaccinated in order to return to classes. If the young person is not fully vaccinated they will **NOT BE ABLE TO ATTEND CLASSES AT EKGA**.

### Spectators

We will not yet be welcoming spectators back onsite. We will let you know once we can! Once we can permit spectators **any adults wishing to observe classes / enter the premises must be fully vaccinated**.

**All staff and volunteers are required to be fully vaccinated.**

Everyone over the age of 12 will be required to wear a face covering at all times.

Children in Grade 3-6 will be required to wear a face covering on entry, whilst waiting for class to begin, whilst waiting for turns etc. Masks can be removed when they are exerting themselves, out of breath and can be physically distanced (i.e one child on a large trampoline). Younger children may choose to wear a face covering if they are able to do so safely.

Families will be required to ensure that their child is checked in at the door using the "Services Victoria" App. Staff may ask to see proof of check in and vaccination status of anyone aged 12 and above entering the premises.

Save EKGA as one of your "favourite locations" to make this as fast and easy as possible.
