## Gymnastics Academy

194-196 Roberts Road, Airport West 3042 | 03 9336 4077 | gymnastics@ekga.com.au

### Agreement

**Gymnast First Name:** \_\_\_\_\_ **Last Name:** \_\_\_\_\_

**I am aware that my actions as a parent or legal guardian will impact the safety of others in the Essendon Keilor Gymnastics Academy community. EKGA is counting on me and all the other parents and kids to help keep us all safe by meeting the physical-distancing and personal hygiene standards recommended by Victorian Government.**

I agree to abide by the following policies:

1. If a gymnast is unwell (even slightly), has a cough, cold, temperature or any flu-like symptoms I will keep them home from gym for at least 72 hours after their last symptom.
2. If any member of the household is unwell (even slightly), has a cough, cold, temperature or any flu like symptoms I will keep my child home from gymnastics for at least 72 hours after the last symptom is present.
3. I accept that no spectators will be permitted in the building (this includes parents / siblings) during phase 1 and 2.
4. I will aim to have my child use the toilet and wash their hands thoroughly before arriving at gym. I will make sure my child will wash their hands, elbows and feet after returning home.
5. I understand that everyone will be required to use hand sanitiser before entering the building and required to use this regularly during class and at the end of class. Hand sanitiser will be provided both outside and throughout the gym and waiting areas.
6. I will support the "Get in, train hard, go home" strategy that is in place. This means gymnasts will not be allowed to enter the building early / before class. No space will be made available for homework, eating, reading etc. Gymnasts will be called into the building when it is time to start their class and the previous classes have left the building.
7. I understand I will be required to come to the door and let staff know who I am there to collect at the end of class (or for teenagers I may text them from the car park to say I am out the front). I will be on time, as I know there is no space available for children to remain onsite after their class is over. I will follow staff instruction and signage as to entry and exit points.
8. I understand that even though EKGA will cleaning the premises and equipment on a regular basis, due to the nature of the equipment there are some pieces of equipment that cannot be disinfected. I understand that the wooden bar rails, rings and pommel handles cannot be disinfected.
9. I will ensure my child comes to class with their "portable locker" containing the personal equipment (including chalk) that they require for class, as instructed by EKGA.
10. I understand that whilst EKGA is doing everything possible to make EKGA a safe and hygienic place to train, any encounter with people has an inherent risk that the Covid-19 virus could be contracted.

I will do my part to help make EKGA safe by being respectful of the gym's physical-distancing policies, by supporting the EKGA Awesome teachers, coaches, and customer service staff as they work hard to provide a place to Teach Gymnastics, Make it Fun and keep the kids SAFE.
